Nustian Silicon Valley Annual Gala

A dinner-and-concert experience connecting brands with Pakistani technology, industry and academic leaders—and with the families, friends, alumni networks and wider diaspora gathered around them.

Saturday, November 7, 2026

San Francisco Bay Area · 200–300 expected guests · dinner followed by a planned A-tier artist performance.

● Artist booking subject to confirmation

Built by alumni. Open to a wider community.

Held in the heart of Silicon Valley, this prestigious event draws a diverse audience of 250+ dignitaries, business professionals, executives from Fortune 100 companies, and NUST alumni from across the United States and Pakistan. It brings together the professional

strength of the NUST alumni network with the warmth of a community celebration—creating a natural setting for connection, recognition and shared impact.

Your partnership would not only support a memorable cultural evening but also align your brand with a dynamic, tech-savvy, and socially engaged community in the Bay Area.

01 / WHAT IS NUSTIAN USA A national alumni community with purpose. NUSTIAN USA connects graduates of Pakistan’s National University of Sciences and Technology who live and work across the United States. The network spans technology, engineering, academia, entrepreneurship and industry. As a registered 501(c)(3) nonprofit, it turns professional connection into community impact—supporting education, mentorship, alumni engagement and opportunities that strengthen the wider Pakistani diaspora.	02 / THE ANNUAL EVENT The flagship night where the network comes together. The 2026 Silicon Valley Annual Gala is NUSTIAN USA's yearly flagship: an evening of dinner, live entertainment, professional connection and community celebration for 200–300 guests in the Bay Area. The room extends beyond NUST graduates to their families and friends, leaders from other Pakistani alumni networks, and professionals from across the local diaspora. A partnership with OPEN Silicon Valley will help bring additional community reach to the event.
1,600+ U.S. alumni connected	\$1.5M+ raised for education impact
500+ students supported	34 + 28 endowment seats and scholarships

WELCOME Connect	DINNER Celebrate	CONCERT Experience
---------------------------------------	--	--

Meet alumni, senior professionals, entrepreneurs, families and partner communities across the Bay Area.

Share a relaxed evening built around recognition, conversation and a sense of belonging across generations.

Close the flagship with a planned A-tier artist performance designed to make the night memorable.

More reach, by design.

We expect to use the event marketing budget to improve promotional reach and collaborate with local influencers from the Pakistani diaspora, adding to the reach of NUSTIAN USA's established social channels.

The exact campaign mix and partner placements will be finalized around budget, production timing and confirmed collaborators.

A young, connected, international audience.

The audience combines emerging professionals with established community leaders. Public social channels and direct community groups provide multiple ways to build recognition before, during and after the gala.

Three moments. One coherent partnership.

The strongest partnerships do more than place a logo. They build recognition before the gala, create meaningful contact in the room and keep the story moving afterward.

BEFORE · BUILD ANTICIPATION

Show up in the story.

- Brand mention in selected event advertising
- Tagged social recognition
- Influencer collaboration added to the event campaign*

DURING · MEET THE COMMUNITY

Make the room count.
