A flagship for the wider diaspora

The event is not limited to NUST alumni. More than 200 professionals, community leaders, families, and friends are expected, including guests from other Pakistani university alumni networks and the broader Pakistani diaspora.

An organized national network

NUSTIAN USA has built one of the most organized Pakistani alumni networks in the United States, connecting more than 1,300 alumni across technology, engineering, academia, entrepreneurship, and industry.

Social momentum sponsors can use

In the latest 30-day period, @nustianusa generated 99,440 views and reached 13,551 accounts - more than three times its 4,411-follower base.

A lead sponsor can join the weekly series ahead of the event, with content scheduled around the audience's strongest activity window: Sunday through Tuesday, 9 AM to noon PDT. Selected partners can also gain visibility at NUSTIAN USA's OPEN Silicon Valley booth.

Activation options

- + **Brand:** naming rights, stage visibility, event signage
- + **Engage:** demo, sampling, attendee offer, photo moment
- + **Recruit:** talent conversations and employer branding
- + **Host:** reserved table and leadership introductions
- + **Give:** scholarship-aligned story or matching challenge

Deliverables will be confirmed in writing

Final benefits depend on venue rules, production timing, inventory, and category conflicts. Placements, content, guest access, and reporting will be agreed before launch.

CLEAR DIFFERENCES IN ACCESS, PROMINENCE, AND HOSPITALITY

Five levels fit regional and diaspora-gala benchmarks

The ladder starts with accessible community support and builds to one lead partner with event naming rights. In-kind support can be credited at an agreed fair value.

LEVEL	CONTRIBUTION	RECOGNITION AND ACCESS
Presenting Partner Limit one	\$15,000	"Presented by" naming position; largest logo on core event materials; welcome or speaking opportunity; premium stage recognition; event marketing across NUSTIAN USA's top-followed social accounts, including Instagram, Facebook, LinkedIn and X; dedicated pre- and post-event social content timed around high-activity windows; logo placement on all social posts for 4 weeks before and 3 weeks after the event; weekly-series sponsor integration; lead visibility at the OPEN Silicon Valley booth; activation space and up to 8 tickets; category exclusivity where feasible.
Platinum Partner	\$5,000	Prominent logo placement; stage acknowledgment; dedicated social recognition; sponsor mention in the weekly series for 2 weeks; logo placement on all NUSTIAN USA social posts from one week before through one week after the event (2 weeks total); visibility at the OPEN Silicon Valley booth; activation or display table; reserved seating with up to 4 tickets; post-event acknowledgment.
Gold Partner	\$2,500	Standard logo placement; group stage acknowledgment; one tagged pre- or post-event social mention; shared display area where available; up to 2 event tickets.
Silver Partner	\$1,000	Small logo in sponsor-recognition areas; group event acknowledgment; post-event thank-you mention; up to 1 event tickets.
Community Supporter	\$500	Sponsor name listing; group social thank-you; recognition screen or program listing.

What changes by level: naming rights, logo prominence, dedicated versus grouped social content, stage role, activation space, and guest allocation.

Optional custom underwriting

Concert, dinner, hospitality, travel, production, media, raffle, or scholarship-aligned support can be structured separately when a sponsor wants to own a specific event element.

Pricing basis: benchmarked against published packages from regional nonprofit dinners, Bay Area galas, and South Asian/Pakistani diaspora events. Comparable entry tiers range from about \$500-\$2,000 and lead tiers from about \$5,000-\$15,000; NUSTIAN USA's proposed ladder is positioned within that market.

A FOCUSED PARTNERSHIP GROUNDED IN COMMUNITY OUTCOMES

Align your brand with people shaping what's next

Connect with Pakistani professionals and families while advancing education, mentorship, and community impact. Sponsorship proceeds will support event delivery and contribute to NUSTIAN USA's education sponsorship fund.

A high-trust community

A nationwide alumni network with strong ties to technology, engineering, academia, entrepreneurship, and industry.

Measurable outcomes

More than \$1 million raised, 350+ students supported, 34 endowment seats, and 28 scholarships reported by NUSTIAN USA.

A tailored sponsor plan

Benefits can be shaped around awareness, recruiting, hospitality, product engagement, or education impact.
